4	5	6	7	8	9	10
		Follow animal tracks in the snow. A trail of tracks often tells a story of the habits of an animal in the winter. A tiny mouse scampers about on the snow surface looking for seeds; a daring rabbit leaves the protection of a thicket and gets grabbed by a hunting owl. Deep tracks indicate a large heavy animal. Look for other signs such as nibbled twigs and dug holes.				
11	12	13	14 Valentine's Day	15	16	17
						
18	19	20	21	22	23	24
25	26	27	28	Cottontail rabbit season closes
